September 27–October 21, 2005  
Tuesday through Saturday  
Doors open at 11:00 A.M.

461 Fifth Avenue at 40<sup>th</sup> Street  
New York City

## In honor of Breast Cancer Awareness month, the following organizations will be featured at The SELF Center.

**Avon Walk For Breast Cancer**, a project of the Avon Foundation, a 501(c)3 public charity, is a series of eight weekend fundraising events, that raises funds to support access to care and finding a cure for breast cancer nationwide, with funds awarded for awareness and education; screening and diagnosis; access to treatment; support services; and scientific research.

For more information, please visit [avonwalk.org](http://avonwalk.org).

**The Breast Cancer Research Foundation** is dedicated to preventing breast cancer and finding a cure in our lifetime by funding clinical and genetic research worldwide. A minimum of 85 cents of each dollar donated to the Foundation goes directly to breast cancer research and awareness programs. For more information, visit [bcrcure.org](http://bcrcure.org) or call toll-free 1.866.FIND.A.CURE. [www.bcrcure.org](http://www.bcrcure.org)

**CANCER101® Inc.** provides grass-roots resources as well as organization and planning tools that empower newly diagnosed cancer patients to take charge of their cancer diagnosis. [www.CANCER101.org](http://www.CANCER101.org)

**Fertile Hope**, a national nonprofit organization dedicated to providing reproductive information, support and hope to cancer patients whose medical treatments present the risk of infertility. [www.fertilehope.org](http://www.fertilehope.org)

**National Digital Medical Archive™** is the first national archive of its kind specifically designed to improve the quality of healthcare delivery to women by securely collecting digital breast images, reports, and related medical information and making that data available to patients, physicians and researchers who are fighting the battle against breast cancer, while contributing a portion of their proceeds towards funding for well-health initiatives. myNDMA™ provides women with the tools they need to proactively manage their personal health and medical information. [www.myndma.com](http://www.myndma.com)

**Shop Well with You**, the only not-for-profit organization that helps female cancer survivors improve their body-image and quality of life by using clothing as a means towards wellness. Through education, outreach, and personalized services, Shop Well with You supplements traditional methods of healing by acknowledging that a woman's body-image, or how she feels about her own body, affects her overall well-being. All programs and materials area available free of charge.

**The Susan G. Komen Breast Cancer Foundation**, a global leader in the fight against breast cancer through its support of innovative research and community-based outreach programs. [www.komen.org](http://www.komen.org)

**Young Survival Coalition™**, the only international, non-profit network of breast cancer survivors and supporters dedicated to the concerns and issues that are unique to young women and breast cancer.
